

Spare PE Kit	£300	Kit will be available for all children who have forgotten kit. This will eliminate children not participating in lessons due to a lack of resources.	It is expected that no children will miss out PE lessons due to a lack of kit.
New Sports Kit	£1500	Children will have correct equipment for competing in sporting events. They will feel confident and prepared when attending sports competitions.	In is anticipated that as all children taking part in sports events will have identical kit/equipment they will feel confident and prepared, thus increasing their aspirations of competing to their best ability and potential. Evidence will be obtained via outcomes of competitions & photographs of events.
Transportation	£1000	Will enable children to continue attending Inter-school sporting events and we will be able to take a B team to increase the numbers participating.	An increased amount of competitions entered.
Staff CPD	£2000	Increase the knowledge of staff that are running after-school sports and teaching PE lessons. Train PE staff to lead Family Fun PE sessions for EYFS & KS1.	CPD will increase teacher's confidence in teaching sport, thus increasing the aspirations and unlocking the maximum potential of the children taking part. Evidence will be sought from lesson observations/learning walks & from the number of children taking part regularly in after school sports clubs and the variety of sports available.
