

St Nicholas Priory CE VA Primary School

Year 3 teachers: **Mrs King and Mr King**

Curriculum Information: Year 3

Autumn Term 2017

Art skills:

The children will be designing and decorating musical instruments that they will play and persuasive posters/ leaflets which will be used to invite guests to the final outcome of the project.

Scientific & technological skills:

The children will be using technology skills in the creation of their own musical instruments and will be investigating forces and magnets in Science.

Modern Foreign Languages:

The children will be learning French. They will be learning about introductions and items in the classroom.

Humanities skills:

The children will incorporate these skills in the project through learning about the history of the Salvation Army and how they support their local community.

Maths skills:

The children will have the opportunity to use their mathematics skills where appropriate through the project in seeing the value of the Salvation Army working in the community.

English skills:

The children will be developing their non-fiction writing skills through explanation, information and persuasion texts. These will be linked into our project, with an explanation of how their musical instruments were made, an information text about the salvation army and a persuasion text to invite people to the final outcome for the project.

Music skills:

The children will experience a range of music skills. Including creating and playing musical instruments and singing Christmas carols for the final outcome.

**Our REAL project for the Autumn
Term is: **Community themed**
Our essential question is: **Can music
feed the world?****

Understanding physical development, health & well-being:

The children will experience a range of activities in PE including team games and different sports/activities.

Social, Moral, Spiritual & Religious Understanding:

PHSE: The children will be learning about stranger danger, road safety and keeping free from germs and bacteria. We will also be following the PATHS scheme of work after half term.

RE: The children will be learning about "why people choose to make a new start?"
