

**St Nicholas Priory CE VA Primary School**

**Year 1 teachers: Miss Ray & Miss Mays**

**Curriculum Information: Year 1**

**Spring Term 2018**

**Art skills:**

We shall be making fish using a range of materials to sell in order to raise money for Caister Volunteer Lifeboat Service.

**Scientific & technological skills:**

We shall be looking at different materials, comparing them and finding out their properties. We shall be looking at the materials used in lifeboats to see why they are waterproof and float.

**Humanities skills:**

We shall be looking at the key physical features, including beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley, vegetation, season and weather whilst learning about how to keep safe at the beach.

**Maths skills:**

We shall be using a range of mathematical skills this term.

**English skills :**

We shall be learning how to make words in plurals as well as continuing to form sentences and questions. We shall continue to improve our handwriting and our letter formation.

**Music skills:**

We shall be learning and practicing a range of Christmas songs to perform at the end of term.

**Our REAL project for the Autumn Term is:**

**To visit and raise money for Caister Volunteer Lifeboat Service. We shall be also learning about water and beach safety.**

**Our essential question is: Who will catch me if I fall?**

**Understanding physical development, health & well-being:**

We shall be organising a fun run to raise money for Caister Volunteer Lifeboat Service. This will help us to master basic movements.

**Social, Moral, Spiritual & Religious Understanding**

In RE we shall be looking at 'What can we learn about Jesus from the Nativity story?'
