## We are the Local Offer

What is the Local Offer?

This is a question the Local Offer team are asked regularly.

Is it a website, or our Norfolk schools and colleges?

And the answer is - The Local Offer is every service, organisation and group that supports children and young people, aged 0 - 25 who have special educational needs or disability (SEND).

The Local Offer website is a single place to find out about these services, organisations and support groups, as well as information about

- support for parent carers
- preparing for adulthood
- financial support...

and much more.

The Local Offer team are making a film to help explain this and we are looking for members of staff from organisations in Norfolk such as GP practices, hospitals, pre-schools, nurseries, schools, colleges, training providers, Cubs and Scouts, Brownies and Guides, Army and Air Cadets, leisure centres, clubs and support groups.

So if you know of a good service, organisation or support group ask them if they would like to be part of the film - it will only take up 15 minutes of their time and all filming will be done in the spring term 2018.

If they would like to be involved please ask them to email [claire.jones2@norfolk.gov.uk](mailto:claire.jones2@norfolk.gov.uk) who can provide more information.
