Dear Parents/Carers

A huge 'Thank you' for all your support this term. We really appreciate parents and carers working with us.

We fully understand this has been a particularly challenging time for attendance due to a number of flu bugs etc which have been impacting on our community. However, we do take attendance very seriously and ask that you please take time to read the booklet accompanying this letter.

Mrs Wells is our Attendance Officer and is there to not only address any issues, but also to support parents/carers wherever she can to ensure that each and every child gains the maximum benefit from school.

Can I also ask parents/carers to make sure that children come to school on time. They need to be here ready for the start of school at 8.40am. Members of staff are always on duty in the playground from 8.30am in the mornings and there are options such as Breakfast Club if you would like to bring your child to school earlier; please just speak to a member of staff to ask for further information.

Staff have very much appreciated how many parents/carers have attended school events recently and who have also taken the time to respond to the parent questionnaires on behaviour. We received some lovely comments for which we are very grateful - thank you.

Finally, we would like to wish you all a very safe and happy holiday and we look forward to seeing you all again on Monday 19th February.

Yours faithfully

Maria Grimmer
Head Teacher
