Art skills:

To make animals out of clay/draw animals/label animals.

Vegetable printing wrapping paper. Repeating patterns.

Grouping in 2s, 5s and 10s.

Scientific & technological skills:

When do Vegetables grow? Why do some vegetables grow at different points in the year?

Children to write recipes based on vegetables that they have seen.

Humanities skills:

Peace March around the school – children to vote for what they want to march against – give them choices about things that are unfair.

Maths skills:

We shall be looking at measure— measuring the heights of children and adults and putting them into graphs.

English skills :

We shall be practising our hand writing skills in order to write Christmas cards to our families and developing our creative skills to write a story.

Year One are doing a book project. We will be using different story books to look at different aspects of the world. Our curriculum will be weaved into each story.

Music skills:

We shall be learning and practicing a range of songs for our end of term performance.

Understanding physical development, health & well-being:

We shall be looking at what must go into our bodies to keep them healthy. We shall be learning a dance to go into our end of term performance.

Social, Moral, Spiritual & Religious Understanding

PHSE: We will be learning about lives outside our immediate family.
