

St Nicholas Priory CE VA Primary School

Year 2 teachers: Mrs Allibone, Miss Walsh, Mr Little

Curriculum Information

Autumn Term 2018/2019

Art skills

To use a range of materials creatively to design and make products to use drawing, painting and sculpture to develop and share their ideas, experiences and imagination

Scientific & technological skills

Explore and compare the differences between things that are living, dead, and things that have never been alive

Identify that most living things live in habitats to which they are suited and describe how different habitats provide for the basic needs of different kinds of animals and plants, and how they depend on each other

Identify and name a variety of plants and animals in their habitats, including microhabitats

Describe how animals obtain their food from plants and other animals, using the idea of a simple food chain, and identify and name different sources of food

Understanding physical development, health & well-being

Master basic movements including running, jumping, throwing and catching as well as developing balance, agility and co-ordination, and begin to apply these in a range of activities

English skills

Following the National Curriculum expectations for the year group and key stage

Create a non fiction story concentrating on the use of capital letters in sentences.

Create a poem concentrating on subordinating and coordinating conjunctions

Create a non-fiction text writing about real events, recording these simply and clearly.

Our essential question is:

WHAT IS FAMILY?

Humanities skills

Name and locate the world's seven continents and five oceans

Name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas

use world maps, atlases and globes to identify the United Kingdom and its countries, as well as the countries, continents and oceans studied at this key stage

Maths skills

Recognise, count, read, write, compare and order numbers to 50

Identify the number of tens and ones in a two-digit number up to 50

Recognise and use the inequality signs $<$ and $>$

Apply knowledge of place value to solve simple problems

Recall addition and subtraction facts to 20

Identify all four addition and subtraction calculations from a number 'trio'

Write the inverse calculation for a given addition or subtraction calculation

Check an addition or subtraction calculation using the inverse operation

Understand that addition of two numbers can be done in any order and subtraction of one number from another cannot

Understand subtraction as 'finding the difference'

Music skills

Use their voices expressively and creatively by singing songs and speaking chants and rhymes

Social, Moral, Spiritual & Religious Understanding

Follow the ECRA scheme and PATHS programme
