Domestic Abuse Network Event

The Rape of Recy Taylor - Film Screening

When and Where:

26th November – 5:30pm – 8:00pm Hewett Academy, Cecil Road,
Norwich NR1 2PL (light refreshments will be provided)

Recy Taylor, a 24-year-old black mother and sharecropper, was gang raped by six white boys in 1944 Alabama. Common in Jim Crow South, few women spoke up in fear for their lives. Not Recy Taylor, who bravely identified her rapists. The NAACP sent its chief rape investigator Rosa Parks, who rallied support and triggered an unprecedented outcry for justice. This film exposes a legacy of physical abuse of black women and reveals Rosa Parks' intimate role in Recy Taylor's story.

Afterwards we will discuss some of the issues highlighted in the film. The Harbour Centre will also be in attendance to support.

Please email da.change@norfolk.gov.uk by Thursday 22nd November to confirm attendance.

We have secured a really large theatre for the above network event which means that we can open up the invitation to Early Help Teams, Childrens Services Teams, and any other organisations or community groups that may have an interest in attending. Please can you share this with your teams and colleagues.

FUNDING

Great Yarmouth Workplace Sustainable Travel Grant

Deadline for applications: 14th December 2018

What is the grant?

[Active Workplaces](#) is Active Norfolk's workplace physical activity programme. Working in partnership with Norfolk County Council on Pushing Ahead, *Active Workplaces* is looking to support organisations in Norwich and Great Yarmouth to promote walking and cycling and support active travel.

As part of this project, we would like to offer organisations (including schools) in Great Yarmouth, who have made a commitment to support active travel within their workplace, the opportunity to apply for a sustainable travel grant to help them encourage sustainable travel to and from work or reduce or eliminate the need to travel altogether.

What is available?

Great Yarmouth organisations are invited to apply for capital grants of up to £5,000 per organisation.

Organisations may apply for the full £5,000, however if the project or work has been quoted for and/or comes below £5,000, the lower amount will be awarded.

What can the money be used for?

Grants are available to be used for any physical feature within the grounds of the workplace that supports active travel. Organisations will be encouraged to be creative and innovative with their ideas for funding. A few examples might include, but are not limited to:

Cycle storage

Communication technology & IT equipment (i.e. smartphones, videoconferencing facilities, cloud software)

Showers, lockers and changing room facilities

Pool bikes, bicycle locks and gear for the office

Electric charging points

Is my company eligible?

To be eligible to apply for this funding workplaces must:

Be registered as a business with relevant VAT number etc. or a local authority, or a public service organisation e.g. NHS;

Have a business bank account to which any funds (if successful) would be paid;

Have fully completed an Active Workplaces expression of interest form and grant application form

Have completed or be in the process of undertaking a staff travel survey (in partnership with Active Norfolk)

Provide evidence of any planning application, should planning permission be required;

Have a place of business in Great Yarmouth which employees work from (not a home address) and, if the property is leased, have approval from the landlord to implement the proposed measures;

Have at least 2+ employees on your payroll based in Great Yarmouth;

Be able to fully implement and invoice for the grant by 25th March 2019

Be able to provide evidence of other funding sources, should the grant be used as match-funding for a larger project;

Be able to provide evidence that the grant amount requested will be sufficient to deliver the project (through attaching quotes from suppliers).

How to apply:

Download an application form below or using the button at the top of the page, complete and email to Active Norfolk. All applications should be emailed to katie.tierney@activenorfolk.org by Friday 14th December 2018.

VACANCIES

Community Development Worker
based at the Great Yarmouth Early Help Hub

37hours per week - £23,111
Closing Date: 5th December 2018

Looking for a new member to join the new Better Together Norfolk (combatting loneliness and social isolation service) team.

The Voluntary Norfolk Partnership has been funded by Norfolk County Council to deliver an innovative new service to combat loneliness and social isolation across communities in Great Yarmouth, Norwich and neighbouring parts of Broadland and South Norfolk and Breckland.

Community Development Workers coordinate and facilitate a community-led approach to combatting loneliness and social isolation within a locality. They act as catalysts, enabling and powering local communities to initiate social action which helps to create connection and promote inclusion.

Posts are offered until 31st March 2021 (with possible extension)
