Key achievements to date:	Areas for further improvement and baseline evidence of need:
In current academic year: Dec 2019 – First places at GY7 cross-country for Y2 boys, Y3 girls and Y4 girls Jan 2020 – Winners of knock-out snooker tournament for Year 6 children. One young man also received the ‘Star of the Session’ award for displaying excellent sportsmanship and kindness to other players. Feb 2020 – visit by Commonwealth and Olympic GB athlete, Laura Samuel, who conducted fitness circuits with all children in the school, from Reception to Year 6. Miss Samuel also led an assembly, inspiring children to participate in sporting activities and to lead an active life, ending with a ‘Questions and Answers’ session. The Reception children extended their ‘Day of Sport’ by taking part in additional sporting events throughout the afternoon. Finally, children across the school gained sponsorship to help support GB athletes. Mar 2020 – commencement of Olympic Enrichment programme for 10 children to promote positive play (excellence, respect, friendship). They are joined by 10 ‘behaviour role models’ and, through their shared experiences, are learning the skills of collaboration, perseverance and how to progress by accepting mistakes by themselves and others.	Sporting equipment has been provided on the playgrounds for use at lunchtime and each area of the playground has been used for different sporting activities. This has increased the participation of some of those children who do not engage with physical activities. However, some children remain unwilling to engage with physical activities and we will be targeting those children in this academic year. This will be achieved by engaging a lunchtime sports coach who will provide activities based on different sports each term (some non-traditional, such as fencing) for targeted groups of children. The school had previously funded swimming lessons for children in Years 4 & 5 only. From Sept. 2017, all children in Years 3, 4 & 5 have participated in swimming lessons funded through the P.E. budget, thereby increasing the percentage of children leaving the school having achieved the National Curriculum goals. Booster sessions for Year 6 children (funded from P.E. & Sport Premium budget) were introduced during the 2017-2018 academic year and will provide the children with the confidence to participate in water-based activities. These additional booster sessions should end in June 2020 as in the following academic year, 2020-2021, the children will have been receiving swimming lessons throughout their time in KS2. The school will engage an alternative agency to teach children self-rescue in swimming as this was unavailable during the previous academic year (2018-2019).

Meeting national curriculum requirements for swimming and water safety	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	55% (25% previous year 2017-2018)
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	64% (37% previous year 2017-2018)
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	Nil as no self-rescue sessions available this academic year
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes - booster sessions for Year 6 children

This means that the children in Year 3 will participate in swimming lessons for 3 academic years, instead of 2 – see ‘Areas for further improvement’ above.
